The Sunflower State Games Announces 2009 Gold Sponsors

TOPEKA, Kan. – The Sunflower State Games is pleased to announce that Capitol Federal Savings and Cox Communications have agreed to sponsor the annual Multi-Sport Festival at the Gold level in 2009.

This marks the sixth consecutive year that Capitol Federal Savings has supported the Sunflower State Games as a Gold sponsor. “We are very grateful for the contributions that Capitol Federal Savings has made over the years. Without their support, our event would not be nearly as successful as it is,” said Executive Director, Mitch Gross

Although Cox Communications has sponsored the Sunflower State Games in the past, 2009 will be the first year at the Gold level. “Our partnership with Cox Communications allows us to reach potential athletes from all over the state and increase participation,” Said Gross.

A new sponsor for the Sunflower State Games in 2009 will be Kansas Gas Service at the Silver level. Bradley Dixon, President of Kansas Gas Service stated the following: “We are proud to support the efforts and commitment of the Sunflower State Games to enhancing the quality of life of people in our communities through the promotion of health through physical activity.”
